

Costume Look Book Guide

Makeup:

Makeup should enhance the dancer's natural features. Darker eyeshadows, eyeliner, blush, and false eyelashes are essential so facial expressions are visible from a distance. When it comes to stage makeup, there's really no such thing as "too much"—if you think you look a little crazy, you're probably doing it right!

Required Lipsticks:

- RED: Maybelline Super Stay Matte Ink Pioneer (Color 20)
- PINK: Maybelline Super Stay Matte Ink Romantic (Color 30)
- BURGUNDY: Maybelline Super Stay Matte Ink Founder (Color 115)

Can be found at Walmart, Target, CVS, Walgreens, Etc.

Hair:

ABSOLUTELY NO FLY AWAYS. Your hair needs to be slick to your head unless the style requested has a desired messy look. If you can brush through the hair on your head easily, then it is not slick enough! It should feel like a helmet!

Suggested Products:

- Samnyte Hair Wax Stick (Amazon)
- TRESemme Extra Hold Hairspray (Walmart, CVS, Target)
- Hair Ties (Dancer's hair color)
- Bobby Pins (Dancer's Hair color)
- Goody Total Smoothing Brush (Amazon)
- Small Comb (Amazon)

Shoes & Tights:

Shoes & Tights should be reasonably clean. Please NO HOLES in any shoes or tights. Please make sure your shoes & tights match your dancers skin tone (unless otherwise specified)! This allows for us to see their lines properly and allows for a clean, professional presentation of our studio on stage.
